By Mike Stojak, Post Commander

Greetings,

Well, spring is upon us once again. The Honor Garden will be fully open soon. There are many Legion activities coming up in the ensuing months. Family Day is on the last Saturday in April. We showcase our Legion to the community to show what the American Legion is all about. Please stop by and see what your Legion is all about. Snacks and beverages will be on hand as well as activities for the kids.

Our birthday dinner was a big success. Thanks to Ken Raymer, our entertainment chairman and those who helped him. It was great to see a full house. Pins for length of membership were presented to those present.

Our annual Memorial Day ceremony will be at 11:00 am on May 25, 2026, at Huntley cemetery. This will be preceded by the Poppy Day fundraising on Saturday May 23rd. Flag Day is on June 14, 2025. Join us for our ceremony to retire the torn and tattered flags of our country. Exact times will be posted on our website and Facebook page.

The Sons of the American Legion will, once again, be supplying food for the Music in the Park series this year. The Legion is sponsoring Modern Day Romeos. Come down and have fun.

Then our infamous Vetfest will be on us. That will be on June 20, 2026. Sponsorships and volunteers are always welcome. I hope that all our members, families and friends will join us. More information will be forthcoming and commented on elsewhere in this newsletter.

Our Honor Guard and the entire Legion will be looking forward to the Fourth of July parade this year. Our Nation is 250 and Huntley is 175. What a great year for celebrating.

I hope that you are all doing well and staying healthy. Our membership has been growing every year, and I hope that trend continues. If you know of a fellow veteran who is not a member, please ask him to join us. One of the main benefits of being a Legion member is the representation we have in government. With nearly 12,000 posts and a membership of 1.6 million we do have a voice that is listened to.

For God and Country

Congratulations to Shannon, and thank you to our Auxiliary members who make this program possible through their hard work and fundraising efforts.

Veterans Path to Hope

Veterans Path to Hope will have a drop box located at the Legion with a sheet listing needed items. Please consider contributing if you are able—every donation, big or small, is truly appreciated and goes directly toward helping those in need.

Vet Fest – Volunteers & Sponsorships Needed

Planning is underway for this year’s Vet Fest held on June 20th 2026, an event dedicated to honoring veterans and bringing our community together. We are currently seeking volunteers and sponsors to help make Vet Fest a success. This event is a wonderful opportunity to support veterans, promote the mission of the American Legion, and enjoy a day of camaraderie and service. Your time, talents, or sponsorship support will make a lasting impact.

I remember the 1979 movie "Being There". Featuring Peter Sellers as Chance, the simple-minded gardener, who was perceived as a genius because of his use of gardening metaphors for any situation. When he was quoted in the newspaper for his comment

"In the Spring, there will be growth", people took it for an economic prediction creating a stock market boon. There is something about Spring that just seems to wake up our optimism about everything.

Happy Spring everyone!

The \$1500.00 winner at our drawing on March 18th seasonal raffle was Demi Shamhart.

She is currently on Spring Break so we will present her prize when she returns and get a picture with the big check. Congratulations Demi!

Tickets for the Summer Raffle will be available soon.

This year, SAL 673 fully sponsored a Disabled Veteran for the April all-expenses-paid trip to Colorado for a week of fishing, skiing, sled-hockey and countless other once-in-a-lifetime activities. Sincere thanks to the SAL's Service Officer, Allen Gullang, for being the champion of this sponsorship.

We hope to see you on Tuesday evenings for the Concert on the Square. We will be in the Honor Garden selling burgers, brats, and hot dogs with chips. Soda and water are also available. So, grab a bite and relax with good music!

Thank you to everyone, have a safe and enjoyable Spring when hopefully, there will be growth.

May God Bless America.

Kindest Regards,

Honor Guard Team

“A Proud and Honorable Tradition”

By Dan Vital, *Sgt. of Arms and Honor Guard Captain*

Honor Guard members are volunteers who often serve regardless of weather conditions—standing at attention through rain, sleet, or extreme heat. Many are senior veterans themselves, some averaging over 75 years of age, yet they remain committed to the Legion’s pillars of Americanism and Service. By performing these ceremonies, the American Legion ensures that the legacy of every veteran is preserved and their sacrifices are never forgotten.

Our post has 24 members providing services to our fallen comrades, families, and community. Whether we are carrying/presenting the colors in parades and sporting events or hosting our nation’s great flag at ceremonies or functions, we continue to educate and promote patriotism. We participate in school programs and patriotic holidays like Patriot Day, Veterans Day, Memorial Day, Flag Day, and 4th of July to name a few.

The Honor Guard’s core duties is providing the Three-Volley Salute: Often mistaken for a 21-gun salute, this involves a rifle team (usually 3, 5, or 7 members) firing three volleys. This tradition signifies that the fallen has been properly cared for and can be honorably laid to rest. Flag Folding and Presentation: Members meticulously fold the American flag into a crisp triangle with 13 folds, each carrying symbolic meaning. The flag is then presented to the next of kin as a lasting tribute of gratitude from a grateful nation. The Playing of "Taps": A bugler performs this somber 24-note melody, which serves as the final farewell at the graveside or ceremony honoring veterans. Additionally, we provided honors to veterans during viewing and/or celebration of life ceremonies by standing guard and rendering a final salute.

“A Proud and Honorable Tradition”

By Dan Vital, Sgt. of Arms and Honor Guard Captain

(continued)

The Honor Guard is a symbol of our great county and organization. They proudly represent past and present veterans who served and defended this great nation. It is an honor and privilege to wear the uniform and represent all those veterans as an Honor Guard team member. Honor Guard traditions reinforce the principles and beliefs we all believe in and are sworn to uphold. Freedom is not free and Honor Guard traditions/service helps us remember that!

BLUE STAR BANNER PROGRAM

Huntley American Legion Post #673 is pleased to establish a Blue Star Banner Program for families of veterans in the Huntley community.

The Blue Star Banner is a traditional American flag that represents a family member serving on active duty in the U.S. Armed Forces. It features a blue star on a white background with a red border, and can have multiple stars to indicate multiple family members in service.

- *Display:* Families typically display the banner in their home windows to show their pride and support for their loved ones serving in the military.
- *Significance:* The banner serves as a reminder of the sacrifices made by military personnel and their families, and it is a symbol of American patriotism.
- *Tradition:* The tradition of displaying the Blue Star Service Banner began in 1917 and has been carried on through various wars, including World War I, World War II, and continues today. This banner is not only a display of support but also a way to honor and remember those who have served and continue to serve in the military.

Please complete the attached application form, and a banner will be supplied to you at no cost.

The application form can be found on the Huntley American Legion website here:

<https://huntleylegion.org/>

In addition, your service member will be enrolled as a member of Huntley American Legion Post #673. The Post will pay the annual membership dues for as long as the service member remains on active duty.

ORIGIN OF BLUE STAR:

Designed in 1917 by Army Capt. Robert L. Queisser of the 5th Ohio Infantry during World War I.

MEANING:

Represents a family member serving on active duty. Up to five stars are typically used on one banner to indicate multiple family members serving.

MEMBER STORY

My US Navy Tour: A Journey of Service and Giving Back

By Russell Kovar, Huntley American Legion #673 Member

My desire to give back to the veteran community is rooted in a family legacy of service and my own transformative years in the United States Navy. Growing up in Des Plaines, Illinois, I watched five of my uncles serve during World War II; remarkably, all five Kovar boys came home. Inspired by their example and seeking direction, I joined the Navy in 1965.

Life at Sea

I began my tour in San Diego before being assigned to the USS Arneb (AKA-56), an attack cargo ship. My first year was spent with the deck crew, where we performed hands-on maintenance and operated "Mike boats" (mechanized landing craft) to transport Marines for training exercises in the Caribbean. I later transitioned to the ship's radio shack as a Communication Yeoman after completing training in Norfolk, Virginia.

Life aboard the Arneb was full of education and adventure. We traveled to the South Pole, navigated the Mediterranean, and even stood by as a backup for the Apollo 7 recovery in 1968. I learned quickly that the Navy requires resilience—whether it was accidentally falling into rough Caribbean waters between a boat and the ship or learning (the hard way) not to sleep on the signal deck when the engine room "blows the stacks".

MEMBER STORY

My US Navy Tour: A Journey of Service and Giving Back (cont'd)

The Value of Camaraderie

In 1968, I transferred to the USS Nitro (AE-23), a munitions ship. My time in the service taught me the vital importance of leadership, discipline, and, most importantly, looking out for your shipmates. While I was fortunate enough not to serve in a war zone, many of my classmates and friends, including my best friend Mike Steuart, served in Vietnam. I remain deeply proud of those who volunteered for that conflict.

USS Nitro

Returning Home

I was discharged on September 4, 1969, at the age of twenty-three. Returning home was a bittersweet transition; I remember the shock of being treated poorly by anti-war protestors in New York, a stark contrast to the respect our veterans deserve. However, the skills I gained—integrity, accountability, and technical expertise—allowed me to launch a successful IT career at Allstate Insurance.

Today, I am a retired author, husband, and grandfather. My military experience remains the foundation of my life, driving me to support my fellow veterans through independent work and non-profit organizations. We were the lucky ones who came home, and it is my honor to continue serving those who served.

Membership Renewal Reminder: Stand With Us Another Year

Every name on our roster tells a story of service.

Our Post is more than a building. It is the honor garden patio conversations. The ceremonies. The scholarships. The support when a veteran or family needs it most. It is coffee at the bar, flags at half-staff, and boots on the ground when our community calls.

If you have not yet renewed your membership, we invite you to stand with us again this year.

Your annual dues:

- Support fellow veterans and their families
- Fund community events and youth initiatives
- Preserve the legacy of those who served before us

When you renew, you are not just paying dues. You are continuing the mission.

If you have already renewed, thank you for your commitment. If not, please take a moment to submit your dues and remain an active part of the Post family.

A Hero's Welcome

by Robert Longley

Time to come home dear brother
Your tour of duty through
You've given as much as anyone
Could be expected to do

Just a few steps further
The smoke will start to clear
Others here will guide you
You have no need of fear

You have not failed your brothers
You clearly gave it all
And through your selfless actions
Others will hear the call

So take your place of honor
Among those who have gone before
And know you will be remembered
For now and evermore

“Rest easy, soldier.
We have the watch from here”
